Della,
Congratulations on being elected President of Student Council. I've no doubt that you'll be an excellent one. You are concerned about issues and about your fellow man and this concern along with your native ability makes you a natural leader. Good luck always and God Bless You.

ZUNI, NEW MEXICO

LIFE - SO THEY SAY . . .

Is but a game and they let it slip away.

Love—like the autumn sun should be dying but it's only just begun.

Like the twilight in the road up ahead.

They don't see just we're going.

And all the secrets in the universe whisper in our ears and all the years will come and go.

Dreams—So they say are for fools and they let them pass away.

Peace—like the silent dove should be flying but it's only just begun.

Like Columbus in the olden days we must gather all our courage.

Sail our ships out on the open sea cast our fears and all the years will come and go.

So I wanna laugh while the laughing is easy.

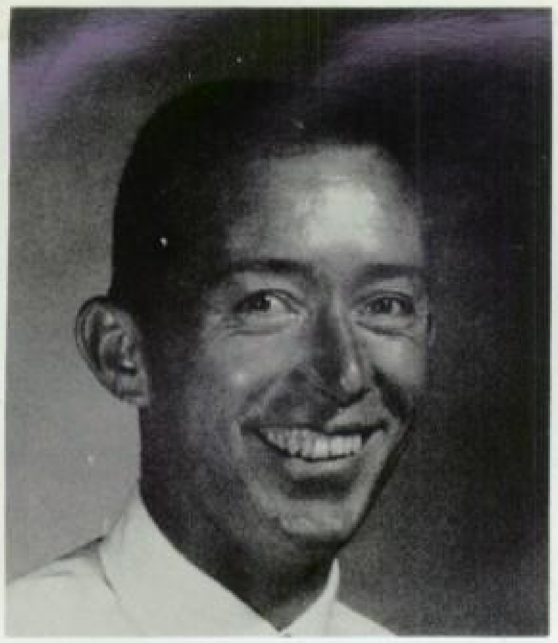

I wanna cry if it makes it worthwhile.

Cause you make me feel like I'm more than a friend like I'm the journey and you're the journey's end.

WE MAY NEVER PASS THIS WAY AGAIN.

MR. MAX RAY

DEDICATION

The Yearbook Staff proudly dedicates the 1976-77 Cibola to Mr. Max Ray.

Mr. Ray graduated from the University of Arkansas and received a Bachelor of Science in Education with a Double Major in Biology and Physical Education.

He has been a teacher at Zuni High School for seventeen years. The subjects he has taught include Science, Biology, Health, Social Studies, Language Arts and Physical Education. His favorite course to teach is P.E.

In addition to teaching, Mr. Ray has coached Cross Country and won State in 1973-75 and 76.

He has also coached Boy's Basketball and this year's girls Basketball Team.

Mr. Ray enjoys teaching the students at Z.H.S. He likes to watch students grow up as they move from 7th grade upward to graduating seniors. Although he is firm in what he expects, he is also fair. He wants and expects the best from every student.

CONGRATULATIONS AND BEST WISHES, MR. RAY

Happy days with the fabulous Midnighters was done by the Junior class.

Studying to be a palm reader, Strallie see's a long life ahead of him.

These particular Juniors just love to have their picture taken.

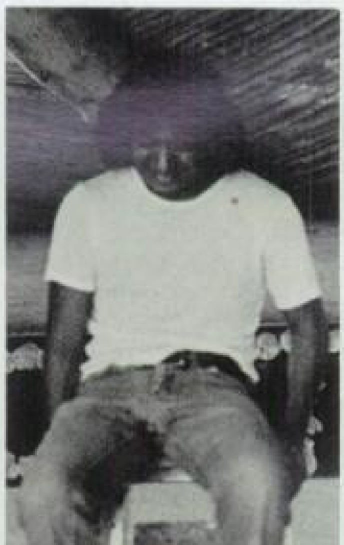

Stop chewing your nails Ms. Naketewa.

There's Nelson again.

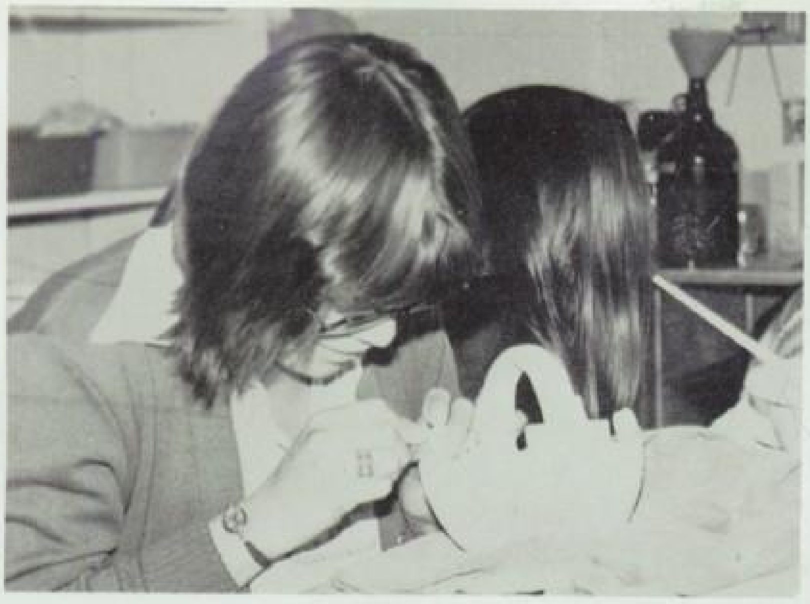

Mr. Scooper himself, Nelson Vicenti.

Monkeying around as usual.

Rozella's showing off her long beautiful nails.

Vivica Tsethlikai sands the rough edges of her pot.

Don't you think these guys are hard working dudes.

Nelson must be following the camera man around, notice that he's on almost every picture..

Now, now, Coach, stop kidding "The Fonz."

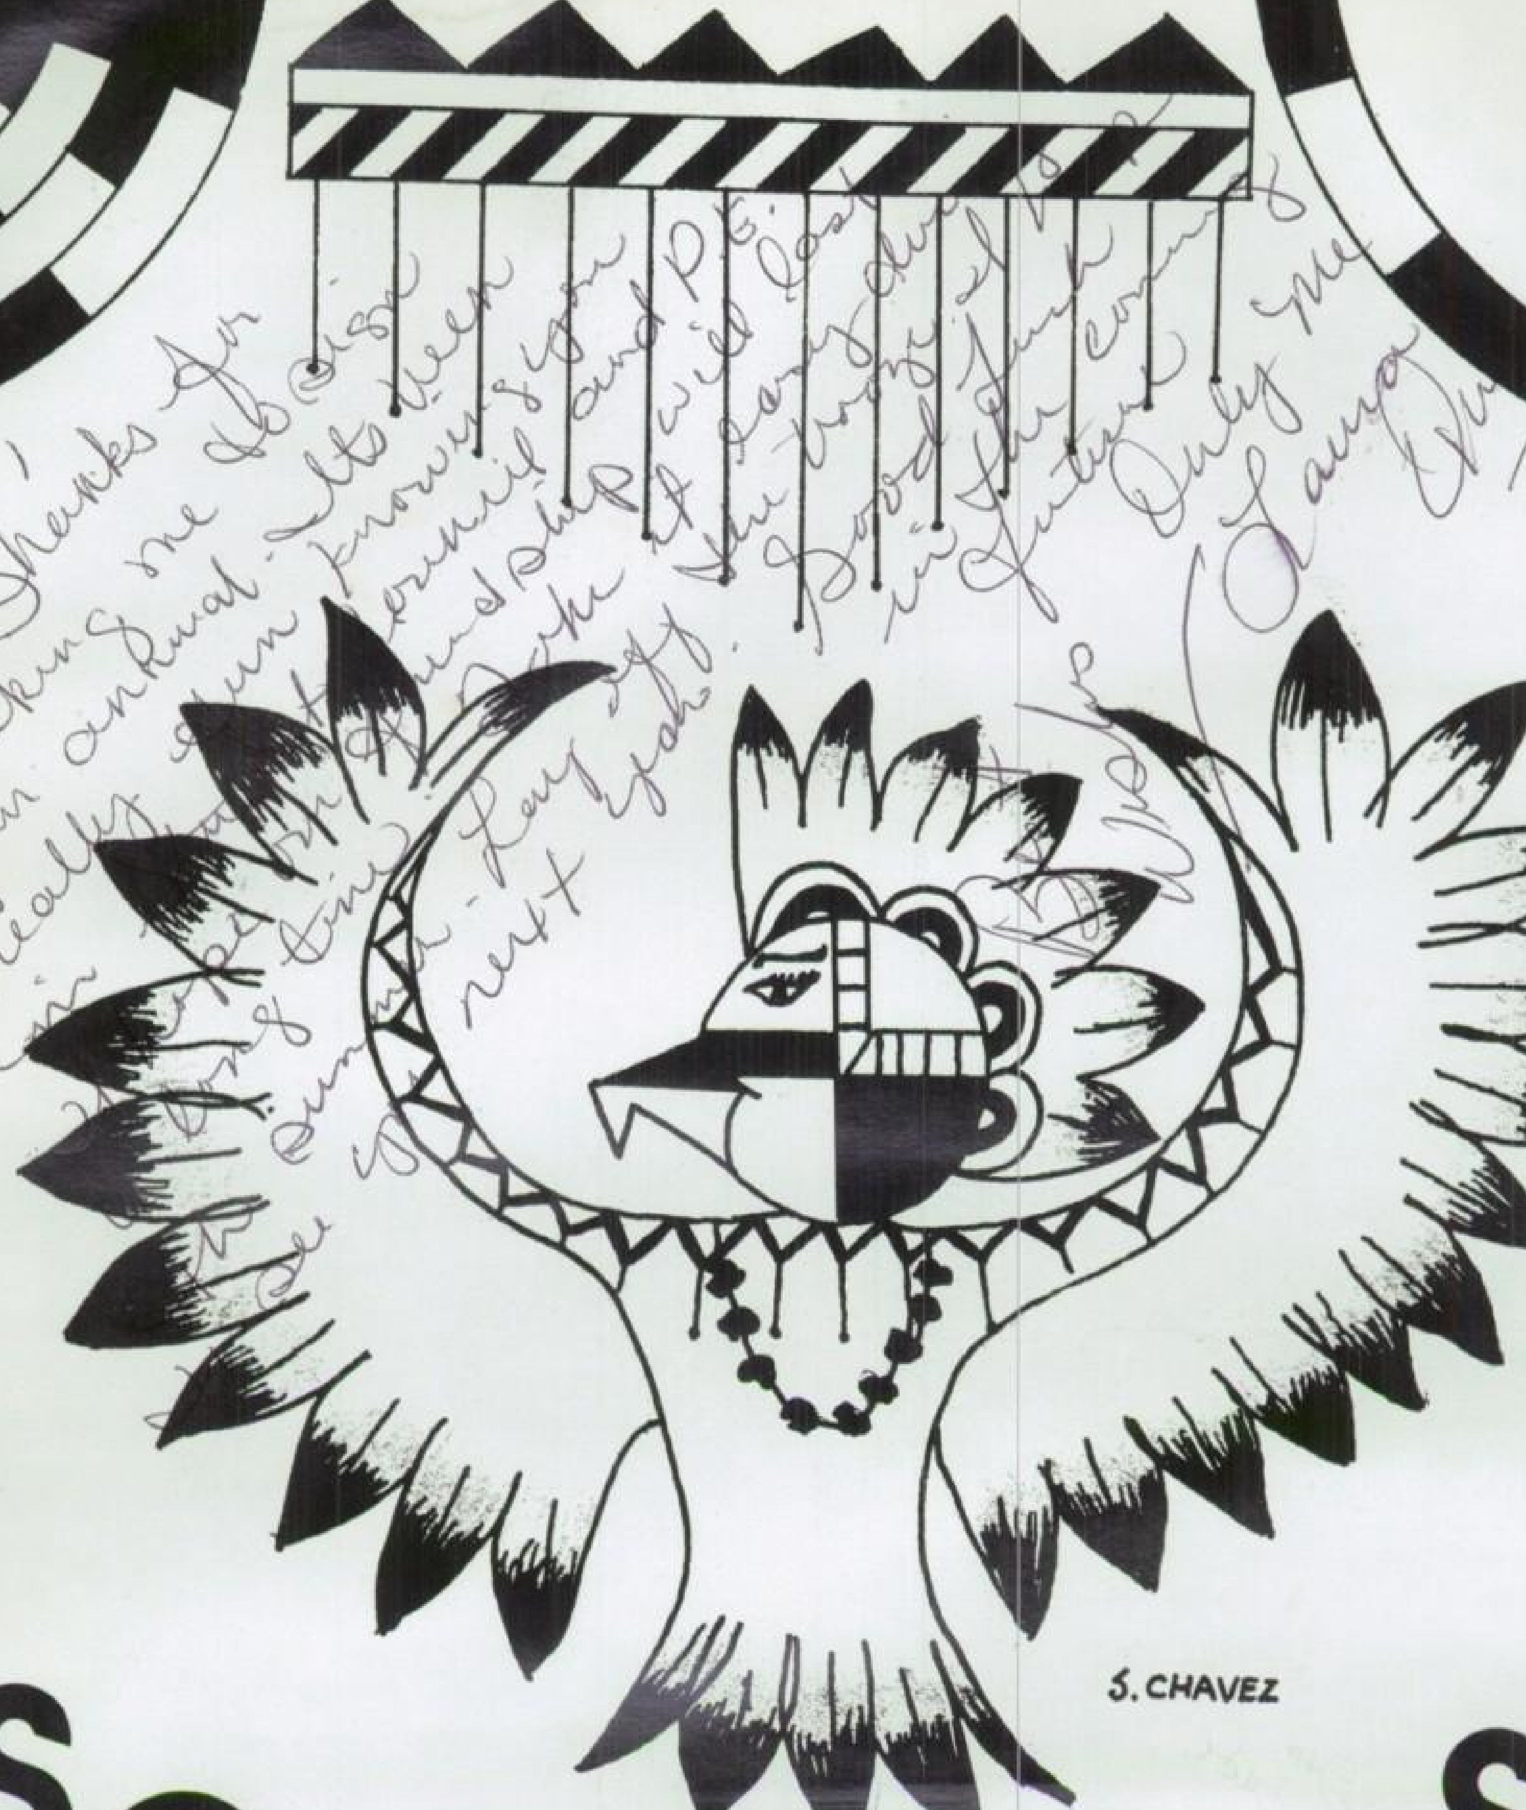

Smile, you're on candid camera!!!

These are the laziest guys in school; they can't even sit up straight.

SOPHOMORES

Della,
I had one heck-of-a time finding a spot that was just right. But here I am at last! This has been about my best year here at Zuni & I'm glad you were part of it. I really had fun as your class mate this year & I hope that both of us will keep the good memories, like when we went to the Speech Contest. Thanks for being my friend & sharing your thoughts with me. Good luck in the coming years & in all you do.

To an understanding friend,

Della I just want to tell you how I enjoyed being with you. Remember the stupid things we did together. How about your honey Freddie. It was only a joke, but I guess he was the one who munched on you. Don't take it to seriously. You poor thing he must have sucked all the energy out of you. Remember the fun we had in Mrs. Harvey's class. Hope next year will be a good year. Next year Student Council should be good. We better make it good. Next year will be Seniors. I still cant believe this year has gone by so fast. We might be in some classes together next year. I sure hope so, I could just see now.. crazy. I think you made me crazy this year. I cant tell you how mu[ch] I appreciated your friendship and kindness and also understanding. Your one friend I will never forget. I hope our friendship will continue forever until we are very, very old, walking around with canes. You might even have 21 kids. Maybe even married to "Crunch" your munch. I want to wish a great friend all the luck in the world. May you suceed in what ever you plan to do. Well I'm running out of room. I wanted to say so much to you, but I think I already told you the nice things about you. Better stop here!

A friend 4-ever
Jolene
